

Welcome

We're delighted to bring you the latest Summer edition of our Newsletter: such a lot has happened since the last in November 2019!

The lasting effects of the Pandemic and now concerns over food and fuel prices have left many feeling unsure and quite fearful about the future.

Through our services, we hope we can help alleviate some of this anxiety, help restore lost confidence but above all, find friendship and support in the company of others.

From all here at Age Concern Petersfield, we very much look forward to seeing you soon.

Lunch Club

Lunch club takes a break for August but is back from 30th August each Tuesday and Thursday, 12 noon, at the Community Centre. Two course meal for £5.50 and transport available if required.

Hello from Her Majesty

We were thrilled that Her Majesty attended our Platinum Jubilee celebrations held in the beautiful surroundings of Priors Dean.

She added the final touch to a spectacular event with stunning views, a delicious lunch, and various Royal activities. Even the downpour halfway through didn't dampen our spirits.

Volunteer Positions

We are currently looking for lunch club helpers and minibus drivers. Please contact us for more information. Flexible working, friendly teams, and the chance to spend time with our wonderful clients.

Chatty Cafe

Our new Chatty Cafe kicked off this summer taking place on the first Monday of the month, 11am, in the Winton House Centre Tea Room. Come along for fresh conversation and to meet new people. No need to book, just turn up.

Charity Walk for Peace

Thank you to everyone who generously sponsored Sheridan to do the Charity Walk for Peace. It was a beautiful sunny day and the organisers laid on a curry afterwards. There will be a cheque presentation later this year.

Let's get Moving

What started off as an experiment has proven to be very popular - an exercise class for those aged 60+ led by the experienced and dynamic Bobbie. Our first 6 week course was fully booked and we aim to run more later this year. Come along to build strength, fitness and feel happy and energised. Contact us for details.

Lambing Time

We were delighted to loan our minibus to take children from the East Meon Village Nursery to visit the lambs on a nearby farm. They were so thrilled to have this experience.

Obituary

It's sad, but often true, that we find out much more about a person's life, when they pass away. This was certainly the case when we gathered together for Ken Hick's Memorial Service at St Peter's. What a lovely occasion - beautiful singing, fond laughter and a chance to hear about the enormous contribution he made to Petersfield life, his joy of music and love of travel.

Our thoughts are also with the family of Richard Roberts, a popular minibus driver, who recently died after a short illness. He loved driving for us and we shall miss him.

From all your friends at Age Concern, thank you Ken and Richard.
